ilepo 70W 6C 2A 8-port Multiple USB Fast Charger

i60

Hot Selling Point

- Weight:200g

- Dimensions:106*68*33mm

- 70W High-Speed Charging: Connect a single USB-C device to get a 70W max charge, which charges MacBook Pro 13 from 0 to 60% in 30mins, and charge the latest Galaxy S22 at full speed

- 8 in 1 Charger for More Devices: The charger has 2 USB-C PD ports and 6 USB-A ports, which can supply power to up to 8 devices at the same time. 8-Port 70W USB-C charger provides an enormous 70W of charging power, that's enough to fast charge your phone, tablet, and laptops from a single charger

- Travel-friendly Compact Design: This 70W eight-port PD fast-charging USB charger is compact and lightweight, and can easily be put in your backpack, pocket or trunk.

- Wide Compatibility: Provides fast charging to virtually all USB-A and USB-C phones, tablets, laptops, including the MacBook, iPhone 16 series, Galaxy S23 series, iPad Pro, Android devices, smart watches, wireless earbuds, etc.

- Have FCC/CE/UKCA/ROHS/PSE certification

- OEM ODM is acceptable to support all kinds of E-seller

- Untangled convenience: No more messy cables-all your devices can be charged from a single hub. Suitable for any environment: Whether you are at home, in the office or on vacation, this charger is your preferred power solution.

- Multiple safety protections make charging more secure: This charger has multiple built-in safety protection mechanisms, including overvoltage protection, overcurrent protection, and overheating protection. At the same time, the outer shell of the charger is made of fireproof and flame retardant materials, which effectively reduces safety hazards.

- Authoritative certification, guaranteed quality: Our chargers have passed many international authoritative certifications such as FCC, CE, UKCA, ROHS, PSE, etc. These certifications represent that products have reached strict international standards in terms of quality, safety, and environmental protection.
