

ilepo 2025 150W Multiple Charger 30 Port W-228B

Hot Selling Point

- Equipped with a powerful 150W power supply, this charger ensures fast and efficient charging of all your devices. It meets the power needs of smartphones, tablets, e-readers, Bluetooth headsets and other devices, significantly reducing overall charging time.
- The output is DC 5V and the current range from 1A to 2.4A (max) for a wide variety of devices. Whether your device requires a lower current for a gentler charge or can handle a higher current for a faster charge, the Ilepo charger adjusts accordingly.
- It accepts an AC input voltage of 100 - 240V, a frequency of 50 - 60Hz and a maximum current of 0.5A. This wide input voltage range makes it suitable for use in different countries around the world without the need for an additional voltage converter.
- The charger offers plug options for the US, EU, UK or Australia. This adaptability ensures that no matter where you are, you can easily plug in the charger and start charging your devices without compatibility issues.
- Manufactured using a combination of ABS + PC materials, this charger is not only durable but also heat resistant. The high-quality material ensures long-term use and resists damage that may be caused by daily wear and tear.

Specifications

Model No.	W-228B	
General	Input	AC100-240V 50--60Hz 0.5A Max
	Output	DC/5V 1A-2.4A (Max)
	Interface	USB-A
	Standard	Apple, Samsung,Huawei
	Color	Black
Package	Outer box color	Color box
	Unit Size	16*87*76mm
	Package size	198*98*98mm
	Carton size	49*29*30cm
	Quantity	20pcs/carton
	G.W	15KGS
