

ilepo 2025 4in1 MagSafe Power bank W-236

Hot Selling Point

- Multi-functional 4-in-1 design, compatible with the entire ecosystem: integrated MagSafe wireless charging, AirPods charging, Apple Watch charging and PD20W fast charging wired interface, fully meet Apple users' multi-device charging needs.
- Powerful and portable, power on-the-go: Featuring an ultra-compact design with a built-in 10,000mAh high-capacity battery, it weighs only 259 grams to easily go with you, providing all-weather battery life support for your devices.
- Adjustable Folding Stand, Flexible Experience: Unique stand design supports 0-65° range adjustment for iPhone and 0-180° adjustment for Apple Watch, realizing the free experience of charging and using at the same time.
- High-speed charging, multi-device synchronization: Provides PD20W fast charging capability, and supports fast and efficient charging solution through Type-C port and 15W wireless output; moreover, it can supply power to multiple devices at the same time without waiting.
- Superior materials and craftsmanship: High-quality Li-Polymer battery cells with Grade A quality guarantee performance and safety; optional rubberized oil coating adds a sense of touch and premium appearance.
- Multi-protocol compatibility, adaptable to multiple scenarios: Wireless charging supports 5W/7.5W/10W/15W power modes, adapting to the needs of a variety of devices, truly realizing one-stop charging.
- Compact design, easy to carry: only 115x71x28.4mm in size, compact and portable, suitable for business trips or daily use.
