

ilepo 2025 620W 10Port 3A7C Multiple Charger W-506

Hot Selling Point

- It has 10 charging ports with a total power of 620W and supports 3A high current output, of which 7 are USB interfaces. Whether it is a mobile phone, tablet, or other smart device, it can quickly replenish power. It will automatically divert the current during charging to ensure stable and efficient charging of the device. The total output is 5V/20A, up to 100W.
- This charger has excellent compatibility, with an input voltage range of AC100 - 240V, 50/60HZ, which is suitable for power grids in most parts of the world. The plug types cover EU, UK, and US standards, making travel worry-free.
- In terms of heat dissipation, a safe cooling aluminum plate is used to quickly export heat, reduce the body temperature, and extend the service life.
- The product material is ABS+PC, which not only ensures strength, but also has good insulation, durable and safe.
- The appearance adopts classic black, low-key and versatile. The packaging size is 145 * 120 * 50MM, and the product weighs only 430G, which is easy to carry.
- The outer box size of bulk packaging is 41*34*31.5CM, one box can hold 40 pieces, with a gross weight of 18.5KG, which is convenient for merchants to purchase and transport.

Specifications

Model No.	W-506	
General	Input	AC100-240V,50/60HZ
	Output	5V/20A-100W
	Interface	TYPE-C/USB-A
	Standard	Apple, Samsung,Huawei
	Color	Black
Package	Outer box color	Color box
	G.W	430G
	Package size	145 * 120 * 50MM
	Carton size	41*34*31.5CM
	Quantity	40pcs/carton
	G.W	18.5KG
