

## ilepo 2025 Qi2 3in1 magnetic wireless charger WC-182

### Hot Selling Point

- Ilepo 2025Qi2 three-in-one magnetic wireless charger WC-182 is designed for modern multi-device users, combining efficiency, compatibility and fashion.
- Model CBT-30Q follows the Qi2 standard and uses the latest wireless charging technology to bring fast and stable charging experience to Qi2 devices, freeing them from the constraints of cables.
- With 15W + 10W + 7.5W + 5W adaptive output, it can provide the best charging power for mobile phones, tablets, wireless headphones and other devices at the same time. Headphones and smart watches also have 2.5W exclusive power each to ensure worry-free charging of wearable devices. The input is compatible with DC5V/3A or 9V/3A, and a variety of adapters can be used, which is convenient for home, office and travel.
- The operating frequency is 127.7kHz, which is optimized to reduce interference, and charging is fast and safe.
- There are four fashionable colors: silver, sand, white, and dark cyan. Whether you prefer simple or warm style, you can find your favorite choice.
- Three-in-one charging: charge your phone, headphones, and smartwatch at the same time, saving time and space.
- Qi2 compatible: faster and more efficient charging.
- Adaptive power: extend the battery life of your device.
- Fashionable design: beautiful and practical.
- Reliable performance: stable and interference-free.
- Ilepo 2025Qi2 three-in-one magnetic wireless charger WC-182 is an ideal choice for those who pursue convenient charging and fashionable performance. Come and upgrade your charging experience!

## Specifications

Model No.	WC-182	
General	Input	DC5V/3A, 9V/3A
	Output	15W+10W+7.5W+5W adaptive
	Smart watch	2.5W
	Earphone	2.5W
	Interface	TYPE-C
	Standard	Qi/Qi2,Apple, Samsung,Huawei
	Color	Silver, Desert, White, Dark Cyan, Black
Package	Outer box color	Color box
	Unit Size	7.03*7.03*12.2cm
	N.W	434g
	G.W	554g
	Package size	8.5*8.7*15.8cm
	Carton size	45*37*17.5CM
	Quantity	20pcs/carton
	G.W	20kg/carton
