

iLEPO Charging 65W 6-Port USB Charging Station W-066

Hot Selling Point

- 65W Total Output – Charges up to 6 devices at full speed without power drop.
- USB-C PD 20W Fast Charging – Optimized for iPhone 15/14/13, iPad Pro, and USB-C laptops (50% in ~30 mins).
- QC 3.0 Quick Charge Port – Turbo-charges Samsung Galaxy, Google Pixel, and other QC-enabled devices at 18W max.
- 4x Smart USB-A Ports (2.4A Each) – Fast, stable charging for AirPods, smartwatches, tablets, and more.
- Universal Voltage (100-240V) – Works worldwide in home, office, or car with a 1.2m detachable cable.
- Advanced Safety Protections – Built-in safeguards against overheating, short circuits, and power surges for worry-free charging.
- No more outlet hogging—this 6-port charging hub powers phones, tablets, earbuds, and gaming consoles simultaneously. The 20W USB-C PD port ensures iPhone & iPad Pro charge at full speed, while the QC 3.0 port boosts Android devices.
- With dynamic power distribution, the station detects each device's needs to deliver optimal charging speed—up to 3x faster than basic chargers.
- At just 80x40x105mm, it fits neatly on desks or in travel bags. The included stand keeps cables organized, making it perfect for home, office, or travel.
